

OSU Gardening Encyclopedia

The OSU Gardening Encyclopedia is a good “Start Here” online page for Master Gardeners needing reliable information while researching answers to client questions.

It features a number of hyperlinks to various OSU resources

<http://extension.oregonstate.edu/gardening/>

In the MG office, you can access some sites via desktop icons

- **Northwest Gardeners eNews**

News releases of timely seasonal information

<http://extension.oregonstate.edu/gardening/enews/>

- **Extension *Growing Your Own* tabloid**

A practical guide to gardening in Oregon featuring vegetable varieties, planting dates, insect control, soil preparation, and more.

The chart with planting dates for vegetables is particularly useful.

<http://extension.oregonstate.edu/catalog/html/grow/grow/>

- **Gardening Archive**

News stories and garden hints from OSU

Searchable by key word

http://extension.oregonstate.edu/news/story_search.php?storyType=garden&showall=true

- **How-to and other publications**

Catalog of OSU publications and multi-media; some free, others priced (Also see “Extension Gardening Publications” in this section)

<http://extension.oregonstate.edu/catalog/>

- **Garden Calendars**

Monthly calendars for Oregon gardeners

<http://extension.oregonstate.edu/gardening/calendar/>

- **Master Gardener program**

The Oregon State University Master Gardener™ Program

<http://extension.oregonstate.edu/mg/>

- **Voices from a Rural Garden**

A series of 1-minute audio programs for Oregon Gardeners

<http://extension.oregonstate.edu/gardening/audio/>

- **Urban Entomology**

A collection of bulletins, fact sheets and images of urban pests, their biology and, where appropriate, management recommendations

Emphasis is always the least toxic approach to control

<http://entomology.oregonstate.edu/urbanent/>

Extension Guides on Managing

- **Weed (*PNW Weed Management Handbook*)**

An online version of the handbook which is designed as a quick and ready reference of weed control practices used in various cropping systems but which has minimal information for home use

Also see *PNW Weed Management Handbook – the Home Use sections* later in this section, as well as *How to Use PNW Weed Management Handbook* in Tab G

<http://weeds.ippc.orst.edu/pnw/weeds>

- **Insect (*PNW Insect Management Handbook*)**

This web version of the manual includes links to pest photographs, fact sheets and pesticide labels

Home Users must always be certain they are using Home Use recommendations

Also see *PNW Insect Management Handbook – the Home Use sections* later in this section, as well as *How to Use PNW Insect Management Handbook* in Tab G)

<http://pnwpest.org/pnw/insects>

- **Disease (*PNW Plant Disease online*)**

The online version of the manual contains the A to Z text sections and many articles from the *PNW Plant Disease Management Handbook*

Many of the entries are supplemented with color images

Also see *Internet – PNW Online Guide to Plant Disease Control* later in this section, as well as *How to Use PNW Plant Disease Management Handbook* in Tab G
